

DMIC attracting Canada, U.S., Singapore and Taiwan

The Delhi Mumbai Industrial Corridor (DMIC), a mega infrastructure project with an estimated investment of \$100 billion, has attracted interest from companies based out of Canada, the U.S., Singapore and Taiwan.

Representatives of Canadian Commercial Corporation, GIC Singapore, Taiwanese securities industry major Yuanta Securities, as well as executives of some American firms, held talks separately with officials of the DMIC Development Corporation, according to official sources.

Canadian Commercial Corporation is a Canada government corporation that aims to boost Canadian trade by helping exporters from that country access government procurement markets in other nations via government-to-government contracting, while GIC Singapore is the Singapore government's sovereign wealth fund with assets of around \$360 billion.

The DMIC Development Corporation is a special purpose company incorporated for the development of the DMIC project.

The focus areas included defence as well as Maintenance, Repair and Overhaul (MRO). Discussions also revolved around proposals to set up units to manufacture aerospace and defence equipment in DMIC smart cities.

Water firms

It is learnt that Singapore-based water companies are keen on participating in the DMIC project and one such firm had even held discussions on taking up a feasibility study regarding water supply in the Manesar-Bawal Investment Region (MBIR).

The first phase of the DMIC Project will cover five Investment Regions (or IR — 'specifically delineated industrial region with a minimum area of more than 200 square kilometres) and three Industrial Areas (or IA — developed with a minimum area of more than 100 square kilometres).

As per the government, the Investment Regions include the Ahmedabad–Dholera Special IR in Gujarat (903 sq.km, with likely employment for 8 lakh people), Dadri-Noida-Ghaziabad IR in Uttar Pradesh (218 sq.km, likely employment for 12 lakh people), MBIR in Haryana (402 sq.km, estimated employment for 16 lakh people), Khushkhera-Bhiwadi-Neemrana IR in Rajasthan (160 sq.km, likely employment for 5.2 lakh people) and Pitampur-Dhar-Mhow IR in Madhya Pradesh (372 sq.km, estimated employment for 4.5 lakh people).

The IAs include Shendra-Bidkin IA in Maharashtra (84 sq. km, with an estimated employment for 7.5 lakh people), Dighi Port IA in Maharashtra (253 sq. km, likely employment for 3.2 lakh people) and Jodhpur-Pali-Marwar IA in Rajasthan (155 sq. km, likely employment for 3.2 lakh people).

DMICDC to award Rs 10k-cr logistic hubs in UP & Haryana by June

The Delhi Mumbai Industrial Corridor and Development Corporation (DMICDC), after successfully awarding more than Rs 15,000-crore packages in the first phase of construction in Maharashtra, Gujarat and Greater Noida, is in an advanced stage of awarding two big multi-modal logistic hubs, valued at Rs 10,200 crore, in Uttar Pradesh and Haryana by the end of June.

The Delhi Mumbai Industrial Corridor and Development Corporation (DMICDC), after successfully awarding more than Rs 15,000-crore packages in the first phase of construction in Maharashtra, Gujarat and Greater Noida, is in an advanced stage of awarding two big multi-modal logistic hubs, valued at Rs 10,200 crore, in Uttar Pradesh and Haryana by the end of June. The hubs will incorporate entire end-to-end services for supply chain, small processing activities from sorting, grading and packaging to delivery of products. These hubs, also termed freight villages, will be first-of-their-kind in India. Alkesh Sharma, CEO and managing director of DMICDC, told FE, "The first project in UP near Greater Noida, valued at Rs 4,800 crore, will be awarded in April, and the second in Haryana, valued at `5,400 crore, will be awarded by June-end." "The initial funding requirement for UP of around Rs 1,600 crore and for Haryana of `1,100 will be managed through internal accruals such as land monetisation, while at a later stage, we may look at raising funds through various debt and equity options. The special purpose vehicle created for the projects will also have access to equity and pension funds," Sharma said.

The DMICDC has already awarded four packages for construction in the first phase, one at Shendra Bidkin in Maharashtra for Rs 8,000 crore, another at Dholera in Gujarat for Rs 4,700 crore, one at Vikram Udyogpuri in Ujjain for Rs 1,300 crore, and one at IIT Greater Noida for Rs 1,500 crore. The project at Shendra Bidkin is expected to start operations in March 2019. Operations at Dholera may begin in September 2019, while the ones in Vikram Udyogpuri and IIT Greater Noida are expected to be completed by this December.

Our Esteem Investors across India

It was very professional yet very friendly feeling that I have observed during our site visit before making an Investment. I am proud owner of Plots in DMC 5002. I have also being referring my family and friends for this project as this is a lifetime opportunity.

- Mr. Madan Lal, Jaipur

Satisfied clients make us happy.

More than the Investment the relation with the operating team matters. They are always ready to answer the query no matter which dept. it belongs to. Accounts, Sales, After sales, IT etc. All are ready to assist.

-Mr. Navalkumar Jain , Pune

I was overwhelmed by the gesture meet out to me during my site visit. It was my second site visit and you guys have responded all my queries very satisfactorily. Each and every concern was properly listened and adequately responded. I feel blessed to have Dholera metro city as my investment destination. Above all the staff was exceedingly courteous and very knowledgeable.

-Mr. Dipak Bhatt, Kolkata

Our Esteem Investors World Wide

I recently registered my plots and the process was a calk walk. I my special thanks to Venu for talking care of the registration process from beginning to the end. I would highly encourage investment in DMC.

- Mr. Rajat Patel, Germany

I went on a site visit to see the new property of metro city , Dholera Smart City and its my favorite!, This will be a good location to buy property in metro city at Dholera Smart City

-Mr. Chandrakant Patel, Kuwait
