

Tata Power won this capacity in a bid announced by GUVNL in March. The project has to be commissioned within 15 months from the date of execution of power purchase agreement.

Mumbai: Tata Power has got a letter of award from Gujarat Urja Vikas Nigam Ltd (GUVNL) to develop a 100 megawatt solar project in Dholera Solar Park of Gujarat.

The energy will be supplied to GUVNL under a power purchase agreement valid for 25 years from scheduled commercial operation date.

Tata Power won this capacity in a bid announced by GUVNL in March. The project has to be commissioned within 15 months from the date of execution of power purchase agreement. With this award, the cumulative capacity under development in Gujarat will be 620 MW out of which 400 MW will be in Dholera Solar Park.

PM Modi to launch first phase of dedicated freight corridor soon

Nearly 1,000km of freight corridor is almost ready

The first phase of the dedicated freight corridor, Indian Railway's much-awaited project, is ready.

Officials of the Dedicated Freight Corridor Corporation of India Ltd (DFCCIL), under the ministry of railways, have requested the Prime minister Narendra Modi to inaugurate the project.

The 3,300km long twin freight corridors, connecting Dadri in Uttar Pradesh with Mumbai and Ludhiana in Punjab with Howrah in West Bengal, is expected to be complete by end of 2021. Project has already missed several deadlines after its launch in 2006. While the western sector will be connecting all major ports, including Mumbai, Kandla, Pipavav and Mundra, the eastern corridor will connect most coal fields.

"Nearly 1,000km of freight corridor is almost ready. We have approached the prime minister's office, requesting for a suitable date for its inauguration. We are expecting it to be inaugurated before the end of next month," Anurag Sachan, managing director of DFCCIL, told THE WEEK.

The World Bank and Japan International Cooperation Agency (JICA) are financing the project which has total cost of Rs 81,459 crore. While the World Bank is aiding the eastern dedicated freight corridor with \$1.86 billion, JICA is offering \$5.2 billion for the western corridor.

In the first phase, 64km of track between Rewari to Palanpur in western freight corridor is almost completed, and 351km between Khurja to Bhaupur in eastern corridor is ready for formal inauguration, as trial trains are being successfully run on these tracks.
