Planned
Smart
City
DHOLERA SIR

In the Ahmedabad District;
Dholera SIR
(Special Investment Region)

“Dholera will be better developed than Delhi”

Stressing the need for developing urban and rural areas simultaneously, India's **Prime Minister Narendra Modi** said that port city of Dholera will be developed better than Delhi and six times bigger than Delhi and six times bigger than China's Financial Capital Shanghai. He said that at the end of a panel discussion on 'urbanisation', organized as a part of a series of programmes heralding the Vibrant Gujarat Global Investors Summit.

Why to Invest
at Dholera SIR?

2 times bigger
than **DELHI**

6 times bigger
than **SHANGHAI**

DHOLERA SMART CITY

What makes Gujarat's Dholera
Smart City Investment Hotspot?

Futuristic Vision for Development

Futuristic Vision for Development Blueprint for Infrastructure in Gujarat BIG 2020

Gujarat has envisioned a future and documented a vision BIG 2020. The new vision comprises investments of approximately USD 225 billion in various sectors like :

- Dholera SIR
- Other SIRs, Industrial Nodes, Logistics Parks & SEZs within the Delhi Mumbai Industrial Corridor Industrial Parks
- Roads, Ports, Railway, Airport
- Urban Infrastructure, Water Supply
- Tourism

Landmark Development

Dholera Special Investment Region (DSIR)

Dholera SIR is Developed with a vision to create world class centre of industrial excellence and economic activity. This is one of the first SIR in the state after the SIR Act was passed in Gujarat

Dholera SIR: Ideally located, Widely Connected

- Total Area 903 Sq. kms: a green field location
- Developable area : 547 sq. kms.
- Economic activity area : 377 sq. kms
- High Access Corridor : City Center, Industrial, Logistic, knowledge and IT, recreation & Sports, Entertainment
- World-class infrastructure & connectivity
- Central spine express way and Metro Rail to link the SIR with Mega Cities
- Airport and Sea port in the Vicinity
- Proximity to mega cities :

Ahmedabad, Bhavnagar, Rajkot & Vadodara

Opportunities in Dholera SIR

To build the Industrial Parks, Townships, Knowledge Cities

To Develop basis Infrastructure : Road, Rail, Hospital, Water, Sanitation, Tourism & Hospitality

Set up a Metro Rail system and an International Airport

Potential for development as a multi-model transportation hub due to proximity to most of the north Indian States

A new Gujarat within Gujarat

"Gujarat has had a strong industrial base. In recent years, it has made an impressive progress from industrial clusters and estates to Special Economic Zones. Now, it graduates to Special Investment Region. You can foresee. It will be a New Gujarat within Gujarat!"

Shri Narendra Modi
hon'ble Prime Minister of India

Bigger than the Biggest Development in The World

Dholera International Airport (Cargo cum Passenger)

- New International Airport on the Northern tip, 1 kms away of SIR
- 9200hectars Government land reserved by the state Govt of Gujarat
- DPR under preparation by Airport Authority of India
- Site suitability established by Airport Authority of India
- Well connected with proposed six lane express way & Metro Rail upto Ahmedabad and Gandhinagar
- SPV has been formed by GoG
- Cargo as well as Passenger Airport facility will be available

Road Connectivity

Rail Connectivity

Sea Connectivity

Air Connectivity

Mega Projects of Dholera Special Investment Region

AN OVERVIEW OF THE DEVELOPMENT PROCESS AND PROJECTS IN D-SIR

TOWN PLANNING SCHEMES : As a part of micro level planning the entire DSIR urban development area is divided into six Town Planning Schemes, of which Town Planning Scheme 1 (TP1-51 sq.km) and Town Planning Scheme 2 (TP2-102 sq km) covering total area of about 150 sq km, are prioritised.

PROSPECTIVE PROJECTS : Various Project to be taken up in Dholera SIR in the first phase are listed below. (Value amounting to approx. INR 28000 Crores.)

Roads & Bridges

Envisaged 521 kms of roads comprising main carriageway, service roads, foot path, cycle track, plantation strip, street lighting and Bridges of area approx 60000 sqm in TP1, TP2E & TP2W.

Raw Water & Portable Water

The raw water conveyance arrangements from Perie together with intake structure, pumping stations, raw transmission line, water treatment plant, potable water transmission main, MBRs & distribution network.

Power Transmission and Distribution

Effective power infrastructure will contribute to the economic prosperity of DSIR. This will be achieved through the development of sustainable state of the art infrastructure for power generation, transmission and distribution

- Source power for TP1 & TP2 (Phase 1 of the DSIR development) locally from Gujarat Grid

- Plan for thermal and/or gas power plant for Phase 2 expected to create a separate Special Purpose Vehicle (SPV) for generation
- 400 kV transmission lines are expected to run around the periphery of DSIR
- Power infrastructure will be built around energy saving smart technologies Smart metering for consumers (electricity and gas).
- Form SPV with a local distribution company.

Information and Communication Technology (ICT)

Information and communication technology (ICT) covers the development of comprehensive voice, data, video and IT infrastructure, aided with present day applications for education, local governance, medical support, transportation, data mining, efficient buildings, building/home security, etc.

The objective of the ICT project is to build a smart, attractive modern city of Dholera that will provide attraction to the economic development of the region. ICT infrastructure is envisaged to boost sustainable economic development and a high quality of life for the residents, with efficient management of the city's infrastructure. The smart city concept supported by ICT will bring high efficiency and active citizen participation.

Solid Waste Management : Estimated municipal waste amounting to 500 tpd to convey and segregate by an automatic segregation plant. Waste-to-Energy treatment would be considered and the ash generated would be disposed only in the landfill.

Industrial Effluent collection system

Formation of industrial effluent collection system network, effluent treatment plants in TP1 & TP2E and effluent out fall.

Storm Water collection system

Formation of collection system of storm water run off within TP areas through RCC pipeline network & disposal.

Administrative and Business Centre of Dholera (ABCD)

ABCD is proposed as abutting the expressway within TP2W, to serve as administrative functions of the city. DSIRDA building envisaged with a LEED GOLD rated building.

River Training / Bunding

DSIR is located in the flood plain of three rivers, from Sukhbhadar River in the north to the Lilka and Utavli at the south. River training and bunding necessitated along the river course for 200 km in length for flood protection.

Waste Water Treatment & Recycle

Wastewater from AMC Vasnato TP1 tertiary treatment plant and to store in MBRs for industrial & agriculture purposes..

Domestic Sewage Collection System

Formation of domestic sewage collection system network, sewage treatment plant, distribution network for conveyance of treated water for industrial & agriculture use.

Linked Projects

Central Spine Road (Sh6)

The Gujarat State Road Development Corporation Limited (GSRDC) is developing an access controlled expressway

between Ahmedabad & DSIR to serve as a central spine road for DSIR.

MRTS (Metro Train)

Mass Rapid Transit System (MRTS) between Ahmedabad and DSIR is part of the plan to develop self-sustainable rail based transportation system in

order to provide connectivity both within DSIR and between DSIR and Ahmedabad.

Airport

Greenfield international airport is proposed on northern side of DSIR located at approx. 1 Km from DSIR boundary.

Old-age Home

10.2. Residential Zone

10.2.1. Intent

The intent in establishing a residential zone is:

- To promote residential development on a range of building typologies on existing undeveloped land;
- To provide for the development of recreational, religious and educational facilities as basic elements of a balanced community;
- To protect the residential communities from nuisances arising from incompatible uses.

10.2.2. Uses Permitted

A. The residential zone is primarily intended for the following building uses

- Residential multi-storey apartment
- Terraced /Row House
- Villas /Bungalow
- Site and services /other housing schemes for the EWS
- Old-age home

B. Non-residential building uses that are complimentary to the residential development will be permitted

- Banquet/Community hall
- Library
- Garden/playground
- Recreational club house
- Places for Worship
- Night shelter
- Neighbourhood retail

10.2.3. Development Control Regulations

Table 10.1 provides development control regulations for development density (FAR), minimum requirements for open space, setbacks and permitted uses. These regulations are applicable for plots measuring 3ha or smaller. For plots larger than 3ha, additional requirements as per the Subdivision Guidelines (Chapter 11) shall apply.

10.2.4. General Development Requirements

In addition to the above given development control regulations, all developments shall adhere to the common development requirements (Chapter 9) which cover the following elements:

- Sustainability
- Parking (refer table 9.3)
- Minimum Plot sizes (refer table 9.1)
- Plantation and maintenance of trees
- Drainage and flood prevention
- Seismic design
- Compound walls and gates
- General building requirements

Draft General Development Control Regulations (DGDCR)

"The Dholera City project team is really very efficient and active in marketing. I had very pleasant experience to deal with Patel Brothers. All the Directors have professional approach in the deal. Mr. Ankit a very young and dynamic Director explained the project and its future prospects very well.

The senior Director Mr. Dhirubhai is really a man of hi-tech. He has used the hi-tech in explaining the project, its future and its probabilities of appreciation in value, because of Government policy of developing that area. We have purchased five plots in our group because we are convinced about the prospects of the Dholera Metro City Development. I wish grand success for the project "
